

Police Care^{UK}

We are the charity for serving and veteran police officers and staff, volunteers, and their families who have suffered any physical or psychological harm as a result of policing.

We are independent of the police service, and are funded

entirely by donations and fundraising - we receive no money from government or forces for our work.

If you would like to discuss the practical, emotional or financial support that Police Care can potentially provide, please make a referral below or call 0300 012 0030 and ask to speak to a member of our team.

BECOME A VOLUNTEER

Reach out to those who have been injured on duty, and their families, encouraging them to apply for and use our services.
