

Renewal of Thames Valley Police Group Insurance Scheme **– Serving Officer and Staff Main Scheme**

Dear Member,

The TVP Group Insurance Scheme renews on the 1st of September each year. For the renewal, the Trustees of the scheme work hard with our brokers to negotiate the best possible deal for the trust and its members.

From 1st Sept 2025 there will be a small price increase for members. This has been unavoidable this year due to the market and adverse claims history. It should be noted there have been some significant increases to insurance prices over the past few years, this is particularly of note in Travel Insurance due to increased costs of holidays and medical costs. The Trustees have investigated the possibility of covering increases from our limited funds held in trust, however this is not sustainable going forward and would limit the availability of funds we currently use to assist members.

Although a small increase is required, we have been able to negotiate some additional add on features which we feel will enhance the scheme for you the members, these are shown below.

Please note that the serving members scheme will cover serving officers and staff until the age of 70. Years.

Scheme	2024 Cost	New 2025 Cost	Partner Cover
Serving <70	£31.50	£32.50	£6.85 (no change)

The Trustees remain confident that the TVP scheme continues to provide excellent value for money when compared to products available on the high street

Enhancements to the current scheme are:

Wallet Pass

- The Phone Wallet Pass will allow you to access scheme claims information from your phone wallet. From **your phone** either click the below link or scan the QR Code below. Add to Wallet, then from the wallet click the 3 ... in top right corner and View Pass Details. (If accessing Wallet by double clicking thumb button on iPhone, you need to click (i).
